

Gap Worship - Seek First Lyrics

LYRICS

We ve built altars
We ve made gods
We ve worshipped Idols
That have no power
That ve shed no blood

We return
We repent
We destroy
Every idol
Here s comes revival

We will fix our eyes
to the one who paid it all We will set our minds
on the things above the earth

Seek first the kingdom
And it will all be added unto you

Though I walk through the valley
Of the shadow of death
I will fear no evil , I will fear no evil
For the Lord is with me
His rod and His staff
They comfort me, they comfort me
